25. The method of claim 21, wherein the composition is in the form of an ointment, cream, milk, lotion, emulsion, oil, gel or liquid spray. --.

### REMARKS

#### The Amendments

Claim 8 is amended to address the 35 U.S.C. §112, second paragraph, rejection as is claim 11. The "synergistically-effective" expression at issue has a normal, art-accepted definition, i.e., together, the amounts cause an effect greater than that which
